THE ADMISSION PROCEDURE

Step 1: Application

The applicant in 4th or 5th year sends before June 30th an online application consisting of the following documents:

- Application Form
- A-level results
- Superior’s Bulletins
- Curriculum vitae in French
- Cover letter in French
- Any proof of language level (test, diploma, recommendation, certificate, etc.)

N.B.: The application is valid for one year.
Step 2: Eligibility

The ESTRI eligibility panel examines the application on the basis of the results, the appreciations, the project indicated in the letter of motivation and the adequacy of the candidate’s profile with the skills referred to in the ESTRI. ESTRI informs the applicant of the result: eligible, redirected (to another year or another ESTRI programme) or refused. This result is communicated by email.

Step 3: Admission

The eligible applicant is contacted by ESTRI for a possible interview (at the candidate’s request for further information or at the ESTRI’s request for any clarification on applicant’s background).

The final admission of the applicant is made as soon as he confirms his wish to register at ESTRI.

Step 4: Registration

ESTRI sends an invitation to the admitted applicant to proceed with his registration. The administrative and educational registration can be done online or by appointment with the secretariat: estri@univ-catholyon.fr
